PROFILE

Versatile content writer with 2+ years of experience crafting high-impact content across diverse digital platforms. Specialising in well-researched long-form articles and B2B email copywriting, I excel at turning complex industry topics into clear, engaging, and search-optimised narratives. Adept at aligning user intent with business goals to produce copy that builds trust, drives engagement, and supports broader marketing campaigns.

EXPERIENCE

Web Content Writer

ACCODIGIT (April 2025- June 2026)

- Authored highly researched, long-form articles that translated complex industry topics into clear, engaging, and accessible web content
- Conducted deep user intent research to structure articles that aligned with SEO best practices and drove organic reader engagement

Email Copywriter

Reqx Technologies Pvt Ltd (Feb 2024- April 2025)

- Wrote targeted B2B marketing emails tailored to specific stages of the marketing funnel, drastically improving prospect relevance and engagement
- Researched client messaging angles and collaborated with the marketing team to align persuasive copy with broader campaign goals

Video Scriptwriter

YouTube/Instagram & Facebook (May 2024- Present)

- Managed end-to-end research and scriptwriting for educational videos across YouTube, Instagram, and Facebook, driving over 25 million total views
- Crafted audience-focused narratives that simplified heavy concepts, successfully growing a loyal follower base of 20,000+ users

SKILLS
